## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 4/7/2009 has been entered.

### ***Allowable Subject Matter***

2. Claims 1 – 7, 9 and 11 – 22 are allowed.

Applicant's invention is drawn to a system and method that can direct a mobile user to a wireless network access point based on user's request.

Applicant's independent claim 1 recites, *inter alia*, a method for directing a mobile user to a wireless AP with a structure as defined in the specification (pages 8 – 11) including identifying a plurality of wireless network access points convenient to the user that provides access to the one or more amenities based on stored data including the physical location or address of a wireless network and the amenities available at or near the wireless network; and ranking a plurality of wireless network access points based on a distance from a user location and the one or more amenities requested by the user such that wireless network access points that include the one or more amenities are ranked highest and network access points without the one or more amenities are

ranked last. Applicant's independent claim 1 comprises a particular combination of elements, which is neither taught nor suggested by the prior art.

Claims 17 and 20 are interpreted and allowed for the same reasons as set forth above.

Accordingly, applicant's claims are allowed for these reasons and for the reasons recited by applicant in the remarks filed on 4/7/2009.

### ***Conclusion***

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to UN C. CHO whose telephone number is (571)272-7919. The examiner can normally be reached on 8:00AM - 5:00PM.
